

Trans Mountain Technician Trainee Program

Trans Mountain is excited to announce the Technician Trainee Program.

Our Technician Trainee Program has been designed to help you obtain the necessary skills for our Technician roles and does not require any direct job-related experience.

The Technician Trainee Program will provide individuals with the opportunity to be hired and trained by Trans Mountain in a full-time permanent operational role at our Burnaby & Westridge Terminal locations.

Trans Mountain's goal is to fill up to five Operator Technician Trainee roles and one Emergency Response Technician Trainee role with members from local, neighboring and impacted Indigenous communities by November 2022. Trans Mountain will work with your community's local Employment Coordinators to initiate these recruitments.

Operator Technician: Supports operation of the pipeline system, including petroleum liquid transfers to and from marine vessels. Carries out inspection, local operation, and routine maintenance of facility equipment.

Emergency Response Technician: Ensures a high level of planning and readiness to deal with all emergencies at our facilities. Ensures ongoing safe work practices are being followed at job sites. Works with internal and external emergency responders during emergency response situations. Duties also include day-to-day operational and maintenance responsibilities.

In keeping with Trans Mountain's commitment to maximize benefits for communities, **priority will be given to qualified candidates from Indigenous, local and regional communities along or impacted by the Trans Mountain existing, and/or expansion, pipeline corridor.**

In Alberta, the existing pipeline system spans the traditional territories of Treaty 6, 7 and 8, and the Métis Nation of Alberta (Zone 4).

In British Columbia, the pipelines cross the traditional territories of numerous First Nations that are affiliated with the Secwepemc, Dakelh (Carrier), Nlaka'pamux, Syilx/Okanagan, Interior and Coast Salish, Stó:lo, as well as the Métis.

Trans Mountain also operates through 15 First Nation Reserves located within the region spanning the BC interior through Fraser Valley.
