Teck is a leading Canadian resource company focused on responsibly providing the metals essential for global development and the energy transition while caring for the people, communities and land that we love.

Embrace Courageous Safety Leadership (CSL): At Teck, safety is a core value, central to our work culture. Through programs like CSL, we empower every employee to be a safety leader, fostering a proactive approach to identifying and mitigating risks. As part of our team, you'll contribute to sustaining this safety-first environment, where speaking up and driving positive change are not just encouraged but expected.

We are seeking a detail-oriented and experienced Senior Accountant to support our financial accounting operations. Reporting to the Assistant Controller, this role is responsible for completing assigned month-end financial accounting responsibilities and leading a small team of accounts payable professionals. The ideal candidate will possess strong technical accounting skills, leadership capabilities, and a commitment to accuracy and timeliness.

**Responsibilities:**

- Perform month-end close activities including journal entries, reconciliations, and financial reporting.
- Ensure accuracy and completion of financial records in accordance with IFRS and internal policies.
- Lead and supervise a small team of accounts payable staff, providing guidance and support.
- Review and approve accounts payable transactions and ensure timely vendor payments.
- Assist with preparation of monthly, quarterly and annual financial statements.
- Support internal and external audit processes by providing required documentation and analysis.
- Identify opportunities for process improvements and contribute to automation initiatives.
- Collaborate with other departments to resolve accounting issues and improve financial workflows.

**Qualifications:**

- Bachelor's degree in Accounting, Finance, or a related field.
- CPA designation required
- Minimum 3–5 years post designation experience in financial accounting, including supervisory experience.
- Strong understanding of IFRS and financial reporting requirements.

- Proficiency in Microsoft Excel and ERP systems (Microsoft Dynamics 365 or SAP preferred).
- Excellent analytical, organizational, and communication skills.
- Ability to work independently and manage multiple priorities in a fast-paced environment.
