

Utilityperson
Teck Highland Valley Copper
Posting Date: March 17, 2023

Closing Date:

Reporting to the Senior Operations Supervisor, the Utilityperson is responsible for general labour duties in the mill.

This opportunity works a 4x4 days and nights schedule and comes with an attractive benefits package and hourly rate of pay as reflected in the Collective Agreement.

Join us in Logan Lake and enjoy a variety of recreational opportunities, such as hiking, skiing, fishing, and golf! The mine site is a 50-minute drive from Kamloops, B.C. which provides all of the comforts of city living. We are also close to Merritt and Ashcroft, which exude small town community atmospheres. Come experience what work live balance is all about!

Responsibilities:

- Be a courageous safety leader, adhere to and sponsor safety and environmental rules and procedures
- Work as the Mill general labourer, managing various duties as needed
- Complete work indoors and outdoors in all weather conditions
- Handle all tasks in a safe and efficient manner, looking out for hazards such as heavy lifting, trips and slips
- Various other job duties as asked by supervisor

Qualifications:

- Completion of grade 12 or equivalent
- Effective written and verbal communication and strong interpersonal skills
- Ability to work in a high performance, fast-paced team environment
- Ability to adapt to and work effectively within a constantly changing environment
- Valid driver's license
- Strong Organization skills
- Previous equipment operation or industrial experience is an asset

At Teck, we value diversity. Our teams work collaboratively and respect each person's unique perspective and contribution.

Qualified applicants interested in joining a dynamic team are encouraged to submit a resume and cover letter electronically.

We wish to thank all applicants for their interest and effort in applying for the position; however, only candidates selected for interviews will be contacted.

Teck is a diversified resource company committed to responsible mining and mineral development with major business units focused on copper, steelmaking coal and zinc, as well as investments in energy assets.

Headquartered in Vancouver, Canada, its shares are listed on the Toronto Stock Exchange under the symbols TECK.A and TECK.B and the New York Stock Exchange under the symbol TECK. Learn more about Teck at www.teck.com or follow [@TeckResources](https://twitter.com/TeckResources).
