

Certified Warehouseperson

Teck Highland Valley Copper

Reporting to the Warehouse Supervisor, the Warehouseperson is responsible for the receipt, secure storage, and proper issue of materials and supplies required for operations.

Join us in the Highland Valley and enjoy a variety of recreational opportunities, such as hiking, skiing, fishing, and golf! The mine site is a 50-minute drive from Kamloops, B.C. which provides all of the comforts of city living. The mine site is also close to Merritt, Ashcroft, and Logan Lake, which all exude a small town community atmosphere.

Responsibilities:

- Be a courageous safety leader, adhere to and sponsor safety and environmental rules and procedures
- Ship, receive and securely store materials
- Perform duties such as: Recommending min/max levels, picking and filling orders, cycle and inventory counts
- Operate warehouse equipment in a safe manner including industrial forklifts
- Perform heavy lifting in a safe manner
- Ensure the safe and productive completion of warehouse storage related projects and requirements in a fast-paced environment
- Identify opportunities to streamline business processes

Qualifications:

- Valid Interprovincial Red Seal Journeyperson's Warehouseperson, Parts person, or equivalent certification
- High School Diploma, General Education Development (GED), or equivalent
- Valid driver's license
- Strong understanding of warehousing functions
- The ability to quickly master a materials management system
- Able to multi-task and meet challenges directly
- Strong organizational, interpersonal and communication skills
- Previous experience in a mining or industrial environment is considered an asset
- Experience with Microsoft Office Suite®, JDE, and Maximo will be considered a strong asset

At Teck, we value diversity. Our teams work collaboratively and respect each person's unique perspective and contribution.

Qualified applicants interested in joining a dynamic team are encouraged to submit a resume and cover letter electronically.

We wish to thank all applicants for their interest and effort in applying for the position; however, only candidates selected for interviews will be contacted.

Teck is a diversified resource company committed to responsible mining and mineral development with major business units focused on copper, steelmaking coal and zinc, as well as investments in

energy assets.

Headquartered in Vancouver, Canada, its shares are listed on the Toronto Stock Exchange under the symbols TECK.A and TECK.B and the New York Stock Exchange under the symbol TECK. Learn more about Teck at www.teck.com or follow [@TeckResources](https://twitter.com/TeckResources).
