

**Haul Truck Operator
Teck Highland Valley Copper
Posting Date:**

Closing Date:

Teck Highland Valley Copper is currently accepting applications for the position of Haul Truck Operator.

Reporting to the Mine Operations Shift Supervisor, Haul Truck Operators are accountable for the following:

Responsibilities:

- Be a courageous safety leader, adhere to and sponsor safety and environmental rules and procedures
- Operate haul trucks ranging in size from 180 ton to 240-ton capacity on a 12-hour shift, including night shifts
- Work and operate outdoors in all weather conditions, including rain, fog, and winter conditions
- Perform repetitive tasks that could involve heavy lifting
- Inspect equipment, such as tires, fluids, lights, brakes, to ensure equipment is fully functional and safe for operating
- Communicate with dispatch, other operators, and supervisors using communication devices such as two-way radio and on-board computers

Qualifications:

- High School Diploma, General Education Development (GED), or equivalent
- Valid driver's license
- Previous heavy equipment operation, industrial experience, or computer literacy is considered beneficial

At Teck, we value diversity. Our teams work collaboratively and respect each person's unique perspective and contribution.

Qualified applicants interested in joining a dynamic team are encouraged to submit a resume and cover letter electronically.

We wish to thank all applicants for their interest and effort in applying for the position; however, only candidates selected for interviews will be contacted.

Teck is a diversified resource company committed to responsible mining and mineral development with major business units focused on copper, steelmaking coal, zinc and energy. Headquartered in Vancouver, Canada, its shares are listed on the Toronto

Stock Exchange under the symbols TECK.A and TECK.B and the New York Stock Exchange under the symbol TECK.

The pursuit of sustainability guides Teck's approach to business. Teck is building partnerships and capacity to confront sustainability challenges within the regions in which it operates and at the global level. In 2020, Teck was named to the Dow Jones Sustainability World Index (DJSI) for the eleventh straight year, indicating that Teck's sustainability practices rank in the top 10 per cent of the world's 2,500 largest public companies in the S&P Global Broad Market Index.
