Are you looking for a new career opportunity? Reporting to Maintenance Supervisor, Heavy Duty Mechanics are responsible for maintaining our fleet of mining equipment in a shop or field environments.

**Responsibilities:**

- Be a courageous safety leader, adhere to and sponsor safety and environmental rules and procedures
- Perform duties that range from routine preventative maintenance to repairing major breakdowns, including troubleshooting and diagnostics
- Disassemble and reassemble components such as engines, transmissions, cooling systems etc.
- Provide innovative solutions and best practices
- Diagnose, maintain, and repair mobile off road mining equipment including haul trucks, graders, bulldozers, excavators, shovels, loaders, and other heavy equipment
- Working with brands including CAT, Komatsu, P&H, Hitachi, John Deere, Letourneau, Volvo, Marion upon others

**Qualifications:**

- Valid Interprovincial Red Seal Journeyperson's Heavy Duty Mechanic
- Valid driver's license
- Strong interpersonal skills
- Ability to work independently or as part of a team
- Previous mining experience is an asset

**Benefits:**

We offer the chance to live and work in the Highland Valley and enjoy a variety of recreational opportunities, such as hiking, skiing, fishing, and golf! The mine site is a 50-minute drive from Kamloops, B.C. which provides all of the comforts of city living. The mine site is also close to Merritt, Ashcroft, and Logan Lake, which all exude a small town community atmosphere.

Permanent full-time tradespeople are offered a competitive compensation package that includes:

- Comprehensive Benefits Plan including but not limited to medical, dental and vision
- Retirement Package
- Healthy Lifestyle Account

At Teck, we value diversity. Our teams work collaboratively and respect each person's unique perspective and contribution.

Qualified applicants interested in joining a dynamic team are encouraged to submit a resume and cover letter electronically.

We wish to thank all applicants for their interest and effort in applying for the position; however, only candidates selected for interviews will be contacted.

Teck is a diversified resource company committed to responsible mining and mineral development with major business units focused on copper, steelmaking coal, zinc and energy. Headquartered in Vancouver, Canada, its shares are listed on the Toronto Stock Exchange under the symbols TECK.A and TECK.B and the New York Stock Exchange under the symbol TECK.

The pursuit of sustainability guides Teck's approach to business. Teck is building partnerships and capacity to confront sustainability challenges within the regions in which it operates and at the global level. In 2020, Teck was named to the Dow Jones Sustainability World Index (DJSI) for the eleventh straight year, indicating that Teck's sustainability practices rank in the top 10 per cent of the world's 2,500 largest public companies in the S&P Global Broad Market Index.
