

Journeyperson Electrician
Teck Highland Valley Copper
Posting Date: March 17, 2023

Closing Date:

We are currently accepting applications for the role of: Journeyperson Electrician.

This position will report to the Mine Electrical Supervisor and will be accountable for the following:

Responsibilities:

- Be a courageous safety leader, adhere to and sponsor safety and environmental rules and procedures
- Perform in a team-orientated environment with various trades
- Electrical maintenance, construction and troubleshooting
- Maintain a clean, orderly and safe work environment
- Construct, maintain, alter, repair, and test electric or electronic systems and components that are integral to the operation's mining activities
- Perform duties that range from routine preventative maintenance on mining equipment to repairing major breakdowns in a shop or a field environment
- Shift work may be required.

Qualifications:

- Journeyperson Interprovincial Electrician with Red Seal Endorsement
- PLC knowledge
- Strong interpersonal skills
- Ability to work independently and as part of a team
- Proficient in distributed control systems (DCS), programmable logic controls (PLC), variable frequency drive (VFD), motor control center (MCC), and microprocessors
- Understanding of the Electrical Code
- Familiarity with reading electrical schematics and prints
- Previous mining experience an asset
- Valid Driver's License (Minimum of BC Class 7N) or equivalent.

Benefits:

We offer the chance to live and work in the Highland Valley and enjoy a variety of recreational opportunities, such as hiking, skiing, fishing, and golf! The mine site is a 50-minute drive from Kamloops, B.C. which provides all of the comforts of city living. The mine site is also close to Merritt, Ashcroft, and Logan Lake, which all exude a small town community atmosphere. Permanent full-time tradespeople are offered a competitive compensation package that includes:

- Comprehensive Benefits Plan including but not limited to medical, dental and vision
- Retirement Package

- Healthy Lifestyle Account

At Teck, we value diversity. Our teams work collaboratively and respect each person's unique perspective and contribution.

Qualified applicants interested in joining a dynamic team are encouraged to submit a resume and cover letter electronically.

We wish to thank all applicants for their interest and effort in applying for the position; however, only candidates selected for interviews will be contacted.

Teck is a diversified resource company committed to responsible mining and mineral development with major business units focused on copper, steelmaking coal, zinc and energy. Headquartered in Vancouver, Canada, its shares are listed on the Toronto Stock Exchange under the symbols TECK.A and TECK.B and the New York Stock Exchange under the symbol TECK.

The pursuit of sustainability guides Teck's approach to business. Teck is building partnerships and capacity to confront sustainability challenges within the regions in which it operates and at the global level. In 2020, Teck was named to the Dow Jones Sustainability World Index (DJSI) for the eleventh straight year, indicating that Teck's sustainability practices rank in the top 10 per cent of the world's 2,500 largest public companies in the S&P Global Broad Market Index.
