

Welder Apprentice – Mine Welding
Teck Resources Ltd – Highland Valley Copper
Posting Date: November 21, 2025

Teck is a leading Canadian resource company focused on responsibly providing the metals essential for global development and the energy transition while caring for the people, communities and land that we love.

Embrace Courageous Safety Leadership (CSL): At Teck, safety is a core value, central to our work culture. Through programs like CSL, we empower every employee to be a safety leader, fostering a proactive approach to identifying and mitigating risks. As part of our team, you'll contribute to sustaining this safety-first environment, where speaking up and driving positive change are not just encouraged but expected.

Reporting to the Mill Mechanical Supervisor, Welders are responsible for repairing and maintaining site structures and equipment in a shop or field environment.

Responsibilities:

- Be a courageous safety leader, adhere to and sponsor safety and environmental rules and procedures.
- Maintain and repair site structures and equipment in all areas of the Mill.
- Read and interpret blueprints or welding process specifications.
- Operate welding equipment, flame cutting, hoisting, and lifting equipment.
- Troubleshoot production problems and take preventative or corrective action.
- Maintain a clean, orderly, and safe work environment.
- The work assigned will be tailored to match your current apprentice level

Qualifications:

- High School Diploma or equivalent
- Valid driver's license
- Currently registered as an apprentice (non-indentured) with Skilled Trades BC or equivalent if from another province
